

to get **current prices:**

simply text  
a commodity  
code to us

\*codes on reverse

for a different  
country, add a  
space and the  
country code

\*codes on reverse

to publish **offers to buy or sell:** \*you **MUST** be registered on tradenet first

type 'buy' or  
'sell', then the  
commodity  
code, then  
the quantity.  
Hit send.

\*codes on reverse

to specify a  
price, just add  
the price and  
currency code.  
If not, the offer  
price will show  
as 'negotiable'.

\*codes on reverse

**NOTE** The format and spaces of your message must be correct. You **MUST** be registered first online at [www.tradenet.biz/login](http://www.tradenet.biz/login). Use KG for kilos, MT for metric tonnes, or LT for litres. Your price is for the entire lot, NOT just each tonne or kilo. For full instructions, visit [www.tradenet.biz/help/EN/helptopics.htm](http://www.tradenet.biz/help/EN/helptopics.htm).

## 4 easy steps to get automatic sms alerts on your phone:

- 1 Register your cell number at [www.tradenet.biz/login](http://www.tradenet.biz/login)
- 2 When logged in, visit 'sms alerts'
- 3 Choose offers or prices
- 4 Choose commodities, markets, frequency

That's it! An SMS will be sent to you whenever an offer matching your interests is uploaded, or when you have asked for market prices to be sent... **stay informed!**
